

Dear Director:

Our government officials are paid to protect its citizens; not make them more vulnerable. The FCC should be reprimanded for even considering weaking Wisconsin's no call list and for allowing business to harass average working Americans. The FCC (correct me if I'm wrong) must represent the common welfare of all U.S. citizens and not just special interests groups. DON'T MESS WITH WISCONSIN'S NO CALL LIST UNLESS YOU ARE COMMUNISTS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
